JUNIOR HOLIDAY OVERVIEW

On your final afternoon, parents and guardians are invited along to watch some of the great things you have learned in your time with us in the fun overview display. Parents can arrive from 2.15pm.

WHAT IS THE DIFFERENCE BETWEEN RESIDENTIAL AND NON-RESIDENTIAL HOLIDAYS?

RESIDENTAL HOLIDAYS

Children booked for a residential holiday arrive on the Sunday afternoon after 3pm and depart on the following Friday after 5:30pm.

The holiday is inclusive of all meals, evening activities, and the children are fully supervised at all times. The children sleep on site in cabins. Our accommodation is basic but totally suitable for this type of outdoor activity holiday.

NON - RESIDENTAL HOLIDAYS

On a non-residential holiday, the children do not stay on site with us, but travel in and out on a 9am-5pm basis.

This is suitable for children who live locally, or if parents and children are staying at a local B & B. Lunch is included in the non-residential package, as are all the riding activities that the Residential children take part in.
